## FORWARD PLAN

### KEY DECISIONS

In the period commencing 28 clear days after the date of publication of this Plan, the Cambridgeshire and Peterborough Combined Authority intends to take 'key decisions' where indicated in the table below. Key decisions means a decision of a decision maker, which in the view of the overview and scrutiny committee for a combined authority is likely—

- (i) to result in the combined authority or the mayor incurring significant expenditure, or the making of significant savings, having regard to the combined authority's budget for the service or function to which the decision relates; or
- (ii) to be significant in terms of its effects on persons living or working in an area comprising two or more wards or electoral divisions in the area of the combined authority.

This Plan should be seen as an outline of the proposed decisions for the forthcoming month. Any questions on specific issues included on the Plan should be included on the form which appears at the back of the Plan and submitted to the Monitoring Officer for the Combined Authority. For each decision a report will be available one week before the decision is taken.
