1. Introduction

The Cambridgeshire and Peterborough Combined Authority and the Local Enterprise Partnership Business Board is committed to creating a work environment with the highest possible standards of openness, probity and accountability. In view of this commitment we encourage employees and others with serious concerns about any aspect of the Cambridgeshire and Peterborough Combined Authority or the Local Enterprise Partnership Business Board's work to come forward and voice those concerns without fear of reprisal. For employees and those working closely with the Combined Authority or Business Board, please follow the whistleblowing policy on our website. [Insert hyperlink to whistleblowing procedure](#)

For third parties and members of the public, please follow the confidential complaints procedure outlined below.

Whistleblowing - where an individual who has concerns about a danger, risk, contravention of rules or illegality provides useful information to address this. In doing so they are acting in the wider public interest, usually because it threatens

others or impacts on public funds. By contrast, a grievance or private complaint is a dispute about the individual's own position and has no or very limited public interest.

Confidentiality

If a member of the public or a third party wants to make a confidential complaint or raise a concern, it will be treated in confidence and every effort will be made to protect the person's identity if they wish to remain anonymous. The Cambridgeshire and Peterborough Combined Authority or the Local Enterprise Partnership Business Board will investigate all complaints or allegations.

Anonymous allegations

The Cambridgeshire and Peterborough Combined Authority and the Local Enterprise Partnership Business Board take all complaints and concerns raised by members of the public and third parties seriously. We will investigate anonymous allegations but remind complainants that when people put their names to an allegation the ability to investigate and therefore reach firm conclusions is strengthened. Concerns expressed anonymously will be considered at the discretion of the Cambridgeshire and Peterborough Combined Authority or the Local Enterprise Partnership Business Board. When exercising this discretion the factors to be taken into account would include:

- the seriousness of the issue raised;
- the credibility of the concern; and
- the likelihood of confirming the allegation from attributable sources.

The Ministry of Housing, Communities & Local Government may request information arising from this process if they have concerns regarding a combined authority or local authority, or have been approached with similar complaints. The expectation is that this information will be provided on an anonymous basis, but it may be necessary to provide personal details to progress a complaint.

Where details are gathered, the Cambridgeshire and Peterborough Combined Authority and the Local Enterprise Partnership Business Board will put in place appropriate data protection arrangements in line with the Data Protection Act 1998.
