13. Whilst all appointments to the Board will be on merit, the Board will aim to maintain the gender balance and representation of those with protected characteristics on its board with the following minimum requirements:
- (a) that women make up at least one third of Board by 2020
 - (b) with an expectation for equal representation by 2023, and
 - (c) ensure its Board is representative of the businesses and communities they serve.

Appointments to the Programme Board

14. The Agri-tech Programme Board Members shall be appointed following an open, transparent and non-discriminatory recruitment process which assesses each candidate on merit carried out in accordance with the Business Board's diversity statement, Government Guidance and the Nolan Principles.
15. Given the specific nature of the sector, a number of activities shall be undertaken to attract the right people with the specialism required in an open and transparent way. This will include
- (a) a public advertisement,
 - (b) writing to all organisations with specialism in Agri-Tech knowledge in the Combined Authority area.
16. A selection panel will be constituted to include:
- (a) two representatives from the Agri-Tech Programme Board and
 - (b) a Business Board member.

17. The selection panel shall make recommendations to the Business Board which would make the final decision.
18. A quorum shall be four Programme Board members. The Programme Board shall meet at appropriate intervals, ideally monthly, provided a quorum is available and there are enough applications ready for the Programme Board to consider.
19. If a Programme Board member cannot attend a meeting, they can send written comments using the assessment sheets on an application(s) to the Programme Manager who will ensure they form part of the discussion and decision taken.
20. If the Chair is unable to attend a meeting, providing that the meeting is quorate, those Board Members attending the meeting can agree a substitute chair at the beginning of the meeting.
21. When a quorum is unavailable and project decisions cannot be held over until the next available meeting, a “Virtual Meeting” can be called. In these circumstances, the Programme Manger will provide Programme Board Members with access to the project papers and invite and co-ordinate comments. The Programme Manager will provide the Chair, with a summary of the comments received and a recommendation based on these comments. The Programme Manager will then provide Programme Board Members with written confirmation of the Board’s decision whether to support or decline the application(s) in question.

Conflicts of Interest

22. Every Board member must sign and comply with the Business Board member code of conduct.
23. Once an application passes the assessment and is deemed ready for the Programme Board’s consideration, the Programme Manager provides the applicant(s) with the names of all Programme Board Members, in writing, and asks each applicant to confirm if any Programme Board Member is conflicted. If so, those Programme Board Members do not have access to the relevant project papers.
24. Similarly, and in the event that the applicants have not recognised that a Board Member(s) is conflicted, a Programme Board Member must declare at each meeting if a conflict of interest arises, especially where an application is received from a competitor business or from a Programme Board Member’s own organisation. In either of these circumstances, the Programme Board Member(s) will not be asked for their views about the application in question and must abstain from commenting on that particular application. It must be left to the other Programme Board Members to take the appropriate decision.

Confidentiality

25. All the information provided by the applicants will be treated in confidence and protected accordingly.
