Question 1

Please provide me the expiry date of your existing contract with the electric scooter rental provider in your local authority

Answer to Question 1

Expiry date 14 October 2021. The contract has been extended until March 2022

Question 2

Can you confirm whether this contract would need to be re-procured under your existing procurement rules if the local authority wishes to extend the trial.

Answer to Question 2

The original trial contract was procured as a Concession contract with a possible extension of up to five years, so this will not be re-procured under our existing procurement rules to extend the trial.
