As the authority revises its focus to 2025, much of the original purpose and ambition remains, with increased attention to address post-pandemic areas of deficit and more recent impact of climate, energy, and cost of living crises.

This strategy signals a transition from the original devolution and broad ambition of the Combined Authority to a more focused strategic ambition and defined priority areas enabling a prosperous Cambridgeshire and Peterborough region; one that is more equitable, more environmentally sustainable, and securing good growth for its residents and businesses.

The Combined Authority comprises the seven local authorities (referred to as the Constituent Councils) and the Business Board (Local Enterprise Partnership) for the Cambridgeshire and Peterborough region.
