RESOURCES AND PERFORMANCE

This directorate is front and centre of our Combined Authority operations. It is proud to say that it works with everybody, from Government departments, the M10 group of Metro Mayors, and constituent councils, to colleagues across the whole range Combined Authority departments.

Resources and Performance delivers many of the vital back-office functions of the Combined Authority, looking after governance, procurement, legal, funding streams, HR, and being a driver and champion of transformation through the Combined Authority's improvement programme and the development of professional partnerships and 'centres of excellence' with other councils.

As the new directorate moves forward, it will evolve a long-term financial strategy to help Cambridgeshire & Peterborough realise its ambitions and release its potential – and it play a key role as 'critical friend', challenging systems and behaviours to ensure the Combined Authority's quest for excellence is unceasing.

THE COMBINED AUTHORITY

The Cambridgeshire & Peterborough Combined Authority was established as a Mayoral Combined Authority to make life better, healthier, and fairer for all.

As the authority revises its focus to 2025, much of the original purpose and ambition remains, with increased attention to address post-pandemic areas of deficit and more recent impact of climate, energy, and cost of living crises.

This strategy signals a transition from the original devolution and broad ambition of the Combined Authority to a more focused strategic ambition and defined priority areas enabling a prosperous Cambridgeshire and Peterborough region; one that is more equitable, more environmentally sustainable, and securing good growth for its residents and businesses.

The Combined Authority comprises the seven local authorities (referred to as the Constituent Councils) and the Business Board (Local Enterprise Partnership) for the Cambridgeshire and Peterborough region. Working with Cambridge City Council, Cambridgeshire County Council, East Cambridgeshire District Council, Fenland District Council, Huntingdonshire District Council, Peterborough City Council, South Cambridgeshire District Council and business leaders allows the Combined Authority to convene significant knowledge, expertise and local intelligence.

The Combined Authority and its constituent councils are committed to working together to enable sustainable growth. Partnership working and delivery together with constituent councils, NHS, Integrated Care System (ICS), businesses, community groups and organisations across the region is recognised by the Combined Authority as being pivotal in delivering the ambitions for the area.
