Question:

Please disclose to me all responses received to informal email consultations with Members of the Scrutiny Committee and responses to formal invites about the 15 June 2018 call in meeting and when exactly several of the members changed their mind.

Answer:

Under the Freedom of Information Act 2000 personal information is exempt from disclosure to third parties except where the person to whom the information relates has consented to the release. I have contacted the members of the Combined Authority Overview and Scrutiny Committee to gain their consent to release their email response under the Freedom of Information Act 2000. I did not receive consent from Cllr Bradley and Cllr Over so I have not released their emails.

Also please note that where there is not a copy of email correspondence members may have given their apologies over the phone to our officers, we do not hold records of telephone calls.

Please find attached the responses received from members regarding their attendance at the Overview and Scrutiny Committee meeting held on the 15th June 2018.
