I write with reference to your request received on 6 August 2018 reference CA11.

Please find the response provided below.

**Question:** My request is for information about services commissioned in your area that provide 'floating' tenancy support services which can be accessed by people moving on from rough sleeping (street homelessness).

**Answer:** The Combined Authority does not commission services that provide 'floating' tenancy support services which can be accessed by people moving on from rough sleeping (street homelessness).
