COMBINED AUTHORITY

Dear [REDACTED]

**Re: Freedom of Information request ref CA212**

Thank you for your request for information received on 21 February 2023. The response is given below:

***Request***

I would like information about your combined authority's carbon literacy training in relation to climate action for the Council Climate Action Scorecards. This information may be held by the HR department or other departments that organise staff training.

In particular, please supply me with information relating to the following questions:

**Question a.**

Have all senior management received carbon literacy training since 1st January 2019?  
Please state the type of training.

**Answer**

**No senior managers have received carbon literacy training provided by the Combined Authority. With recent recruitment to senior management positions (four roles in Spring 2023) carbon literacy training is planned to be offered in 2023.**

**Question b.**

Have all current councillors who sit on the combined authority received carbon literacy training since being elected? Please state the type of training.

**Answer**

**No such training has been provided by the Combined Authority. All councillors (except the directly-elected Mayor) are drawn from councillors elected to constituent Councils and a number of our constituent councils have provided carbon literacy training to councillors.**
