Dear [REDACTED]

Re: Freedom of Information request ref CA214

Thank you for your request for information received on 21 February 2023. The response is given below:

Request

- a) How many green skills adult education courses have been provided by the Combined Authority, and;
- b) How many people have been trained on the above green skills/green jobs adult education courses provided by the Combined Authority?

Response

The table below summarises for the devolved **Adult Education Budget** for the 2021/22 full academic year, the number of people trained and the associated funding. Because individual qualification figures would have been disclosive we have provided a figure for the overall category, rounding learners and enrolments to the nearest 10 and funding to the nearest £100. The 'X' notifies where learners/enrolments are less than 10.

'Green Skills Area'	Number of Learners	Number of Enrolments	Adult Education Funding - EFY
Construction	90	100	£197,100
Engineering/Manufacturing	90	100	£254,800
Environmental Conservation	X	X	£4,400
Horticulture/Agriculture	120	130	£129,200
Total	300	330	£585,600

Construction	X	X	£9,600
Engineering/Manufacturing	70	70	£374,200
Environmental Conservation	0	0	£0
Horticulture/Agriculture	0	0	£0
Total	70	70	£383,800
