Dear [REDACTED]

**Re: Freedom of Information request ref CA245
Information not held**

Thank you for your request for information received on 21 July 2023. The response is given below:

Request

I would like to know what consultation with disabled people was done before the 2020 instigation of the electric scooter trial by the Cambridgeshire and Peterborough authority. I would like to see the Equality Impact Assessment written at the time.

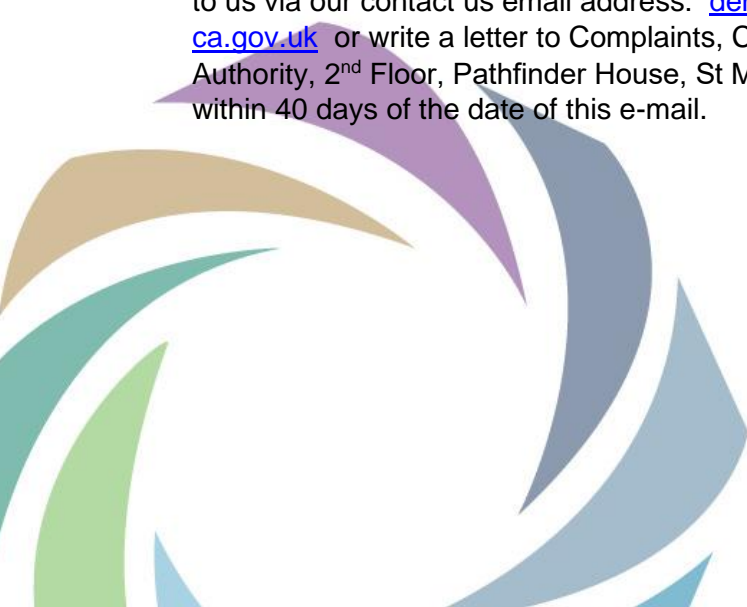

In June 2023 this trial was reinstated in Milton and other villages, what consultation and EIA statement was produced at this time, based on the experience. I have emailed the authority several times and have not been shown either the EIA statement from 2020 or 2023. Therefore with no EIA statement I do not believe this trial is legal.

Response
