Dear [REDACTED]

Re: Freedom of Information request ref CA261

Thank you for your request for information received on 15 September 2023. The response is given below:

Request

Can you kindly supply details of the public transport infrastructure that the combined authority is responsible for please.

Assuming the combined authority has responsibility for public transport assets, the total amount spent on maintaining and improving those assets per year since 2017 until the current latest recording period.

For the elimination of doubt, this would exclude expenditure and ownership of roads.

Response

In January 2022 Cambridgeshire and Peterborough Combined Authority novated the Real Time Passenger Information System Contract and therefore became responsible for this infrastructure. The system includes on-street electronic displays that provide real-time bus arrivals information.

The total expenditure for maintenance and improvement from January 2022 was £223,128.80.
