Dear [REDACTED]

**Re: Freedom of Information request ref CA285**

Thank you for your request for information received on 17 January 2024. The response is given below:

***Request***

Please could I request a copy of any reports, studies, presentations, documents and meeting minutes produced by any party (including the CPCA, consultants, the chosen service operator and any service operators which were considered) in relation to the Ting DRT service which commenced on 25th October 2021.

If a document or part of a document would require significant redaction please just list the document and the reason why the redaction is required, as I appreciate redaction is time consuming and I do not want to create unnecessary work.

Likewise if providing particular information would be time consuming to gather, please just list the type of information and why it would be time consuming to gather.

Please note that this replaces my other recent FOI request about DRT (CPCA ref CA274).

**Response**

DRT was discussed at the following meetings. I have attached links to all reports. There are no other reports, studies, presentations, documents and meeting minutes produced by any party in relation to the Ting DRT service.
