Re: Freedom of Information request ref CA384

Thank you for your request for information received on 10th February 2025. The response is given below:

Request

I would be grateful if you could provide me with copies of the provider delivery plans that have been agreed with grant-funded providers for each academic year that your authority has had devolved skills budgets.

Specifically, I request the provider delivery plans for the three largest grant-funded providers in each academic year.

Please also clarify whether any information, such as policy documentation, is held which specifies what such provider deliver plans look like, and provide such information.

Please also confirm whether other documents similar to or adjacent to provider delivery plans are also agreed and provide those documents.

If the requested information is held but considered exempt from disclosure, please provide the specific exemption(s) relied upon and justify the application of those exemptions. If any parts of the documents contain sensitive or commercially confidential information, I request that redacted versions be provided where possible.
