Dear [REDACTED]

Re: Freedom of Information request ref CA465

Thank you for your request for information received on 1st October 2025. The response is given below:

Request

I would like to request the following information from your local authority.

Can you tell me whether the local authority has a contract with Beam (<https://beam.org/>).

If so, what is the value of this contract?

What period does it cover and what are the deliverables agreed with Beam?

Please specify whether the contract is to help individuals into housing, work, or both (or anything else).

How many people have been referred by the council to Beam during the period covered by the contract?

How many people have been housed?

How many of those people remain in housing as of 1 October 2025?

How many have found employment?

How many of those people remain in work as of 1 October 2025?

Will this contract be extended?
