Dear [REDACTED]

I write with reference to your request received on 20 August 2019 reference CA68. Please find the response provided below.

Question:

I would like to make a request to the legal counsel and monitoring officer for information under the Freedom of Information act. I would like to request the recent submissions to the Department for Transport, via England's Economic Heartland, for funding.

Can I please request digital copies of the proposals put forward for the A10 dualling to the Large Local Majors road fund (including the package of A10 junctions upgrades for £37million) and the Peterborough A1139 junction improvement to the Major Road Network fund.

The documents in questions are mentioned on the Combined Authority website under the article titled 'Major James Palmer welcomes bids to Government to dual A10 and build key Peterborough junction'

Please find attached the following documents:

1. Englands Economic Heartland headline submission
2. Final A10 Dualling submission document
