Officer or Mayoral Decision Notice

Where an officer or the Mayor makes a decision, including under specific delegation from a meeting of a decision-making body, the effect of which is

- (a) to grant a permission or licence; or
- (b) to affect the rights of an individual; or
- (c) to award a contract or incur expenditure.

The decision-making officer must produce a written record of the decision as soon as reasonably practicable after the decision has been made.

Key Decisions

1. A “key decision” means a decision, which in the view of the Overview and Scrutiny Committee is likely to:
 - (a) result in the Combined Authority **spending** or saving a significant amount, compared with the budget for the service or function the decision relates to; or
 - (b) have a significant effect on communities living or working in an area made up of two or more wards or electoral divisions in the area.
2. When assessing whether or not a decision is a key decision, Members must consider all the circumstances of the case. However, a decision which results in a significant amount spent or saved will not generally be considered to be a key decision if that amount is less than **£500,000**.
3. A key decision which is considered to have a ‘significant’ effect on communities should usually be of a strategic rather than operational nature and have an outcome which will have an effect upon a significant number of people living or working in the area and impact upon:
 - (a) the amenity of the community or;
 - (b) quality of service provided by the Authority
4. Subject as below, a key decision may not be taken by the decision maker unless: (a) it is in the Forward Plan on the Combined Authority’s website; (b) at least 28 clear days’ notice has been given, or if this is impracticable, the decision has complied with the provisions set out in paragraph 12 or 13 below as they may apply; and (c) notice of the meeting has been given in accordance with these rules.
