Decision taken	The Chief Executive agreed to (a) Award a contract to Deloitte to provide Client Side Advisory Support including project management advice (b) To utilise the CCS MCF Framework and direct award a contract based on the Framework day rates and this Supplier holding the specific expertise required for the project
Authorisation (<i>delete as appropriate</i>)	General authorisation (<i>those decisions delegated to officers as per the Constitution</i>): <i>Chapter 17, paragraph 3.5, delegated authority to the Chief Executive to award a contract up to £500,000</i>
Background Information	<i>As part of the CAM Project there is a requirement to create a Special Purpose Vehicle – The Promoter Body Company - that can both carry out the required research and development to identify a suitable vehicular solution and will then engage with the market to achieve the funding required to deliver the project; as part of this process the CPCA requires input from the market across several work-streams and technical considerations as set out below</i>

	<ol style="list-style-type: none"> (1) Create governance structure (2) Make recommendations of possible candidates to the shadow board in anticipation of the company being formed (3) Developing the organisational structure (Innovation Co.) (4) Establishing the Special Purpose Vehicle company (5) Procuring the smart tech solution through an innovation partnership (6) Delivery of the project through the SOBC to FBC and TWAO requirements (7) Through engagement & promotion, securing funding for the company (8) Through engagement & promotion, securing funding for the CAM <p><i>These requirements will be delivered by way of various appointments from accessible frameworks to achieve the project timescales and deliver against the various technical challenges.</i></p>	
Alternative options considered.	<i>Alternatives included direct recruitment and an OJEU process; the former being unlikely to deliver the required expertise as the recognised expert already works for a potential provider, the latter could not achieve the required timescales.</i>	
Financial Implications	<p><i>Please include the total costs and how the project will be funded. Please include budget codes for your directorate</i></p> <p>These elements of work have been costed at £188,000</p>
