Decision taken	The Chief Executive agreed to (a) Award a contract to Deloitte to commence A Deep Dive into the current delivery programme and its management and to inform the creation of a delivery strategy to support work-stream 6 (b) To utilise the CCS MCF Framework and direct award two contracts based on the Framework day rates and this Supplier holding the specific expertise required
Authorisation ( <i>delete as appropriate</i> )	<b>General authorisation</b> ( <i>those decisions delegated to officers as per the Constitution</i> ):
Background Information	<i>As part of the CAM Project there is a requirement to create a Special Purpose Vehicle – The Promoter Body Company - that can both carry out the required research and development to identify a suitable vehicular solution and will then engage with the market to achieve the funding required to deliver the project; as part of this process the CPCA requires input from the market across several work-streams and technical considerations as set out below</i>  (1) Create governance structure

	<ul style="list-style-type: none"> <li>(2) Make recommendations of possible candidates to the shadow board in anticipation of the company being formed</li> <li>(3) Developing the organisational structure (Innovation Co.)</li> <li>(4) Establishing the Special Purpose Vehicle company</li> <li>(5) Procuring the smart tech solution through an innovation partnership</li> <li>(6) Delivery of the project through the SOBC to FBC and TWAO requirements</li> <li>(7) Through engagement &amp; promotion, securing funding for the company</li> <li>(8) Through engagement &amp; promotion, securing funding for the CAM</li> </ul> <p><i>These requirements will be delivered by way of various appointments from accessible frameworks to achieve the project timescales and deliver against the various technical challenges.</i></p>	
Alternative options considered.	<i>Alternatives included direct recruitment and an OJEU process; the former being unlikely to deliver the required expertise as the recognised expert already works for a potential provider, the latter could not achieve the required timescales.</i>	
Financial Implications	<p><i>Please include the total costs and how the project will be funded. Please include budget codes for your directorate</i></p> <p>These elements of work have been costed at <b>£115,450</b></p>
