Decision taken	<p><i>Please provide an overview of the decision taken.</i></p> <p>The Monitoring Officer and Legal Counsel has authorised the expenditure of up to £7,408 to install a Cambridgeshire Public Services Network (CPSN) connection at the new Incubator 2 site. This work will be overseen by 3C IT on behalf of the Cambridgeshire and Peterborough Combined Authority.</p>
Authorisation (<i>delete as appropriate</i>)	General authorisation (those decisions delegated to officers as per the Constitution)
Background Information	<p>From April 1st, the Combined Authority and GCGP Local Enterprise Partnership will have a unified officer structure, taking the total number of staff over 40. Therefore, a new premises has been identified (Incubator 2) as the new home for the organisation. Although the building is currently under construction, it is anticipated that it will be ready for occupation in mid-March.</p> <p>As a result, there is a large programme of work underway to manage move and comply with tight timescales. The Incubator 2 site requires the CA to undertake key installation work for phone and broadband provision. The money allocated in this decision notice relates to the associated capital costs to prepare the site for 100mbps internet connection and therefore includes all routing equipment.</p>
