<p>12. Background Information</p>	<p>The selection of this route was obtained by discussions with Peterborough City Council’s transport officers and then a Zoom meeting with PCC’s Supported Bus Services group of elected representatives. The 29 is a trial to see if there is a significant demand for orbital services.</p>

<p>13. Alternative options considered.</p>	<p><b>List alternative options considered and rejected including the reason for rejection. NOTE: Do not leave this section blank or put 'None'. There is always an alternative even if it is to do nothing.</b></p> <p>A Peterborough City – Orton link was considered but would have competed with Stagecoach 24. Ultimately the City links looked at added nothing new – the new 29 is an orbital with a hospital at one terminus and a superstore at the other, giving it two clear purposes.</p>	
<p>14. Financial Implications</p>	<p>This service is fully funded from DfT Better Deal 4 Buses funding</p> <p>The cost of this contract is £48,503 which will be paid in twelve monthly instalments. As it is a minimum subsidy contract the Combined Authority will not receive any of the profits from the service and the risk sits with Stagecoach.</p> <p>Click or tap here to enter text.</p>

### **Officer or Mayoral Decision Notice**

Where an officer or the Mayor makes a decision, including under specific delegation from a meeting of a decision-making body, the effect of which is

- (a) to grant a permission or licence,
- (b) to affect the rights of an individual; or
- (c) to award a contract or incur expenditure, the decision-making officer must produce a written record of the decision as soon as reasonably practicable after the decision has been made.

### **Key Decisions**

1. A “key decision” means a decision, which in the view of the Overview and Scrutiny Committee is likely to:
  - (a) result in the Combined Authority **spending** or saving a significant amount, compared with the budget for the service or function the decision relates to;
  - or (b) have a significant effect on communities living or working in an area made up of two or more wards or electoral divisions in the area.
2. When assessing whether or not a decision is a key decision, Members must consider all the circumstances of the case. However, a decision which results in a significant amount spent or saved will not generally be considered to be a key decision if that amount is less than **£500,000**.
3. A key decision which is considered to have a ‘significant’ effect on communities should usually be of a strategic rather than operational nature and have an outcome which will have an effect upon a significant number of people living or working in the area and impact upon:
  - (a) the amenity of the community or;
  - (b) quality of service provided by the Authority
4. Subject as below, a key decision may not be taken by the decision maker unless: (a) it is in the Forward Plan on the Combined Authority’s website; (b) at least 28 clear days’ notice has been given, or if this is impracticable, the decision has complied with the provisions set out in paragraph 12 or 13 below as they may apply; and (c) notice of the meeting has been given in accordance with these rules.
