Background Information	<p>The application of Tailor Bio to the Illumina Accelerator was accepted by Illumina in June 2020, the following checks have been completed on the company prior to them being accepted onto the programme:</p> <ul style="list-style-type: none">• Founders questionnaire – history, ownership in the firm, time commitment and references• Environment Health & Safety questionnaire• Subscription agreement checked and signed• Proforma Cap table checks• Background checks – financial, criminal, and educational for founders• Certificate of incorporation• Company by-laws• Contracts with universities, MTA, customers if applicable• Term sheet if applicable• All fully executed financing documents including debt or equity if applicable
Alternative options considered.	<p><i>List alternative options considered and rejected and the reasons for rejection. Do not leave this section blank or put 'None'. There is always an alternative even if it is to do nothing.</i></p> <ol style="list-style-type: none"><i>1. appoint external financial and sector experts to advise regarding the investment</i><i>2. offer other funding opportunities to the applicants from external organisations</i>
Financial Implications	<p><i>Please include the total costs and how the project will be funded. Please include budget codes for your directorate</i></p> <p>Tailor Bio have applied for a one off £100,000 convertible loan note.</p> <p>The funding for this loan is from the Local Growth Fund capital awarded by the Business Board and CPCA Board and so is already budgeted for within the £3m approved for the Illumina project in 20-21.</p>

	<p>The loan's interest rate is RPI linked however the intention is that the loan will be converted to shares in the company at the conclusion of a future funding round.</p> <p>The value of the subsequently held shares could go up or down however the CPCA's risk is capped at the £100k value of the initial investment.</p> <p>This £100k initial outlay has been budgeted for, with no return forecast so there is only upside risk for the CA.</p>
